PRODUCT & COLOR GUIDE

MASONRY, STUCCO & BRICK • ELASTOMERIC
OIL-BASE • URETHANE ALKYD • CABINET, DOOR & TRIM
DIRECT-TO-METAL • ROOF PAINT

Fast Drying Technology

BEHR PREMIUM®
CABINET, DOOR & TRIM ENAMEL

Offers excellent flow and leveling, and dries to a hard, durable finish. Its outstanding early block resistance allows for quick return to service, making it ideal for use on cabinets, trim, doors, windows, baseboards, and more.

AVAILABLE IN SATIN & SEMI-GLOSS
Available in select stores or online at homedepot.com.

upper cabinets: SWISS COFFEE 12 | lower cabinets: HUNT CLUB AE-40

Self-Priming, Long-Lasting Formula

BEHR®
MASONRY, STUCCO & BRICK PAINT

This interior/exterior, self-priming, mildew-resistant finish provides excellent adhesion and water repellency on properly prepared interior/exterior smooth, rough and textured masonry, stucco and brick surfaces.

AVAILABLE IN FLAT & SATIN
Available in select stores or online at homedepot.com.

brick: WHITE 52

Durable Hard Finish

BEHR PREMIUM®
URETHANE ALKYD ENAMEL

Combines the performance of a traditional oil-based paint with the ease of use and convenience of a water-based paint.

AVAILABLE IN SATIN & SEMI-GLOSS
Available in select stores or online at homedepot.com.

wall: POLISHED SILVER AE-49

BEHR PREMIUM®
ELASTOMERIC PAINT

An exterior, flexible high-build coating designed to expand and contract, bridging hairline cracks in vertical masonry surfaces. This extremely durable, mildew and dirt resistant waterproofing finish has superior elasticity and elongation properties.

AVAILABLE IN FLAT
Available in select stores or online at homedepot.com.

stucco: SANDSTONE MS-43

Excellent Flow & Leveling

BEHR PREMIUM®
OIL-BASE ENAMEL

Provides excellent flow and leveling, and dries to a hard, durable finish. It provides easy stain removal and helps to protect against household chemicals.

AVAILABLE IN SATIN & SEMI-GLOSS
Available in select stores or online at homedepot.com.

door: OSHA SAFETY BLACK OSHA-8 | trim: GLACIAL MIST AE-43

BEHR®
MULTI-SURFACE ROOF PAINT

A premium quality, durable, 100% acrylic latex flat finish. This coating is mildew and algae resistant and will not discolor or yellow when exposed to typical high roof temperatures. It has excellent adhesion to various types of roofing materials.

AVAILABLE IN FLAT
Available in select stores or online at homedepot.com.

roof: SPANISH TILE RP-26

NOTE: NOT intended to waterproof or repair roof leaks.

Corrosion & Rust Resistant

BEHR PREMIUM®
DIRECT-TO-METAL PAINT

Engineered for excellent corrosion resistance and adhesion to a variety of properly prepared or primed residential and light commercial metal surfaces. It provides a durable finish that withstands tough elements on both interior and exterior surfaces.

AVAILABLE IN EGGSHELL & SEMI-GLOSS
Available in select stores or online at homedepot.com.

wall: ACADEMIC NAVY AE-42 | stairs: PLATINUM PPU26-11

Prime First for Optimal Performance

BEHR®
MULTI-SURFACE, METAL & BONDING PRIMERS

Primers ensure uniform topcoats across any paint sheen. Behr's primers tackle the toughest issues, from blocking stains and preventing corrosion to ensuring adhesion—resulting in the best-looking, longest-lasting finish.

Available in select stores or online at homedepot.com.

Occasionally, there may be a slight difference between the color and sheen of the chip shown and the actual painted surface.

A fresh coat of paint not only enhances the aesthetic appeal of a space by adding color and personality, but it also serves as a protective layer on surfaces.
